POLARIS
LOGISTICS GROUP

Technology When You Want It,
People When You Need Us

PARTNERED WITH **37,000+** CARRIERS

OUR TEAM OFFERS A COMBINED **100+** YEARS IN THE INDUSTRY

700+ ESTEEMED CUSTOMERS

The team at Polaris are not only easy to work with, but their communication has also been outstanding. When in a pinch they assisted us, without hesitation, in working through a backlog of containers at the ports of LA at the most difficult time our industry has seen. I will continue to use their services moving forward and would highly recommend them to others in the industry.
